Students needing to retake exam should be using GMetrix to review.	Continue Monster's Inc. animation; character should be walking into the scene by this point. Students needing to retake exam should be using GMetrix to review.	Continue Monster's Inc. animation project. Students needing to retake exam should be using GMetrix to review.
Digital Design I Period 3, 5, 6	Wrap up all canvas projects that weren't completed prior to break. Students needing to retake exam should be using GMetrix to review.	Create & Design Rubric was provided prior to Spring Break. You are creating a front and a back. Front: images and name of band & album.	Back: complimentary image with slight changes + names of all of the songs on your album. YOUR initials or name must be on the cover on the BACK on the bottom right side small.	Continue and finalize the Create & Design project and submit to the P today in class. Students needing to retake exam should be using GMetrix to review.	Students needing to retake exam should be using GMetrix to review.
AP Computer Science Prin. Period 4	Wrap up Lesson 17 by the end of class today and ask questions as needed.	Review for Unit 5 Assessment 4 in class today. Open Unit 5 Assessment 4 today for 24 hours.	Unit 5 Assessment 5 AP Pseudocode Practice Questions; all questions are in AP Pseudocode instead of JavaScript. Open the Assessment during 3 rd period to remain open for 24 hours.	Lesson 18 MidYear Survey and Longitudinal Study.	Review Rubric for the Create Performance Task. Have students decide over the weekend what they want to do for the Create component of the AP exam. We will begin our 13 day experience on Monday.
