November 2020					
	Monday November 16	Tuesday November 17	Wednesday November 18	Thursday November 19	Friday November 20
Periods 1 & 3 Digital Design I OJT CTE Internship	Continue with Brain Buffet Project 3; I will stop you about ½ way through class. Put in code for Gmetrix to access PS 2020 reviews Concept Review 1 (39 questions) TRAINING MODE	Gmetrix reviews in class today; Start a new test; TRAINING MODE PS cc 2018/2019/2020 Concept Review 2 (35 questions) Concept Review 3 (35 questions) Test 1 (40 questions)	Gmetrix Test 2 (40 questions) Test 3 (40 questions)	Certiport Industry Certification testing today in class.	Continue the Project 3 in Brain Buffet
Period 2 AP CSP OJT CTE Internship	Wrap up and review Lesson 9 with Functions; Lesson 10: Functions Practice Write programs that use functions with the support of sample code; debug programs that use functions; identify opportunities to use functions to reduce repeated code within a program (Activity 35 minutes)	Lesson 11: Functions Make Explore the Quote Maker app Use the Activity Guide provided to go through the high level steps you should use to develop your own app Check your app against the rubric (provided) Submit your app for grading You will be taking on a blank screen and build the code that runs an app entirely from scratch	Lesson 12: Project – Decision Maker App Part 1 (READ THE RUBRIC) Use the Project Planning Guide, work through the stages of creating the app from scratch. Today is Day 1 of a 3-Day Project. This is a Practice Performance Task similar to what you will have to create for the AP Exam. Variables, Conditionals, Functions should all be used.	Lesson 13: Project – Decision Maker App Part 2 (READ THE RUBRIC) Translate the plans you documented in Part 1 of the Practice PT to a working program in App Lab through a series of steps.	Lesson 14: Project – Decision maker App Part 3 Feedback & improvements See your RUBRIC for guidance in measuring the requirements & what you have learned Work with your classmates to review and update the functionality of your app before submitting the final project.
Period 4 DCT OJT CTE Internship	Module A: Lesson 3 (5 days) Understanding the Workplace Local Businesses & Their Contribution to the Community Describe the influences that societal, economic, and technological changes have on employment trends & future training.	Discuss different types of businesses that operate locally. Handout: Each group finds 3-4 businesses in your assigned category & use the Web to find out what the business does. What contribution does the business make to the local economy & to the people that live here? What jobs are available?	Create a MS Sway or PPT to showcase your businesses with the class;	Continue to work on your MS Sway or PPT.	Begin presentations today in class. Guiding question: What would the community be like without these businesses? What if certain services were not available locally? What if you had to drive to Pcola for groceries, gas, etc?
Period 5 & 6 OJT CTE Internship	I will continue to visit your places of employment and meet with your supervisors during 5 th & 6 th periods. Make sure you are getting the minimum number of hours a week and you must submit a paystub this week where your workweek began AFTER August 24. Remember, that you must work DURING your OJT period(s) in order to remain in the OJT classes.
