

<h2>December 2022</h2>					
	Monday December 5	Tuesday December 6 Hospitality Exam 1-3	Wednesday December 7 RENFROE OUT MEETINGS IN MILTON	Thursday December 8	Friday December 9 FIRE DRILL
<u>Periods 1 & 2</u> AP CSP	U5 L10: Traversals Investigate (45 min) Investigate 3 different apps that use traversals to access items in lists. Complete all 7 levels in this lesson before the end of the period.	U5 L11: Traversals Practice (45 min) Practice traversing lists, filtering and reducing lists & using the data to import tools. Develop debugging practices with traversals. Complete all 8 levels in this lesson before the end of the period.	U5 L12: Traversals Make (45 min) Using Programming Patterns and a step-by-step approach students make their own version of a Random Forecaster app. Use your Activity Guide to go through the high-level steps you should use to develop your app & decide how to write the code. Submit your app by the end of the period.	U5 L13: Project Hackathon Part 1 This is the first day of a five-day unit project. Students begin the project by choosing a partner if preferred or work solo; determine a dataset to design the app around and creating a paper prototype. This must be of your own mind; you may NOT re-create something that currently exists. Use the Planning Guide provided and review the examples.	U5 L13: Project Hackathon Part 2 Day 2 Fill out all of the tables of information on element IDs & programming constructs BEFORE beginning the design & program of your project. Begin programming an app which uses a database (you MUST choose a dataset) Translate a paper prototype to screens
<u>Period 3</u> Digital Design 1	Use the attached instructions and apply the Oil Painting Effect to BOTH of your photos and SaveAs nameOfImage_oil in your One Drive	Install Brushes: use the instructions from yesterday (attachment) and install the brushes (digital painting brushes) to Photoshop. Play with the brushes in a blank document before deciding it you will use them on your image/ornament.	Visit the website listed in Teams and answer the questions on the Photo Transfer to Wood Quiz.	Use Photoshop to make your image a 3" x 3" circle using the elliptical marquee. Print on the GBH Lab 808 printer and cut out your image and adhere it to your ornament.	Using the information provided in the video and website, carefully remove the paper from your ornament. Add a string and make sure your name and the year of the photo is on the back. Let dry over the weekend.
<u>Period 4</u> DCT OJT	What happens if you are denied credit? What is a secured credit card?	Why do we need credit? Interest Credit Reports Credit rules to live by Worksheet/Crossword (turn in at the end of the period)	Paying off credit cards: DO THE MATH pp. 50-54 COMPLETE ALL PAGES What is a FICO score? Why do I need one? What are the 5 components of a FICO score? What do you mean 300-850? Nerdwallet.com Read: The importance of a good credit report.	Type an advice column (300-500 words) using the prompt on p. 55 of your Financial Freedom book. Begin Chapter 5: Vehicle Ownership & Financing Complete p. 57 before the end of the period.	Vocab New or Used: Deciding What is Best for You Used Vehicle Comparison Pricing Complete p. 61
<u>Period 5 & 6</u> OJT	I will be visiting some of your places of employment and meet with your supervisors during 5th & 6th periods this week. Make sure you are getting the minimum number of hours a week and you must submit a paystub to me this nine weeks. Remember, that you must work DURING your OJT period(s) in order to remain in the OJT classes.
